## Older Adults

To Participate In A  
Special Medical  
Student Session:

“Healthy Aging Rounds”

September 29, 2009

3:00 to 5:00 pm

Are you a healthy, active older adult living in the Tucson Community?

### “Healthy Aging Rounds”

is designed to teach 3<sup>rd</sup> year medical students about healthy aging – and the important roles of physical activity, preventive screening, and social engagement. The session includes brief lectures by aging experts followed by one-on-one chats between medical students and healthy older adults.

### Recruiting Older Adults

- 65 years or older
- Independently mobile
- Living in the community
- Able to attend a training

### REGISTRATION:

Contact Lisa O’Neill at 626-5804
